

CALL FOR APPLICATIONS
IPAC CANADA REPRESENTATIVE TO
CANADIAN STANDARDS ASSOCIATION
Z8000 HEALTH CARE DESIGN

IPAC Canada is seeking a representative to serve as a voting member of the Canadian Standards Association Z8000 Health Care Design Committee. The expectation for the infection prevention and control representative is to review literature and standards and other current information on Health Care Facility Design that incorporates infection prevention and control into the information. The representative brings practice and guidance to the table.

The committee meets approximately once per month (approximately 4 hours) via conference call with an annual 2-3 day in-person meeting. Financial assistance to attend the in-person meeting is provided by IPAC Canada as the budget allows. There is no funding for a 2015 in-person meeting. However, representatives can participate by conference call.

This is a five year volunteer appointment, renewable one time.

Applicants must possess the following qualifications and agree to the following terms:

- Is a current (2015) member of IPAC Canada, having held membership for at least 3 years and must maintain membership for the duration of their appointment;
- Certification in Infection Control & Epidemiology (CIC) is preferred;
- A minimum of 3 years experience in Infection Prevention and Control, with specific experience in infection prevention and control in facility design and construction;
- Is able to attend conference calls as required and the annual in-person meeting;
- Has the time, commitment and support of their facility to serve IPAC Canada and CSA through this position;
- Will provide a written report directly to the IPAC Canada Executive Director three times per year as requested.

APPLICATION MUST INCLUDE:

- A letter from applicant expressing interest in the position and demonstrating suitability for the position;
- A curriculum vitae that includes details as to Infection Prevention and Control experience, professional expertise and education, specialty training and expertise, and IPAC Canada involvement such as service as a IPAC Canada Board Member, as a chapter executive, or on an IPAC Canada Committee.
- A letter from the applicant's Director acknowledging the professional expertise of the candidate and the institution's support during the term.

Applications should be forwarded by email to executivedirector@ipac-canada.org

The email title should be: CSA Z8000 Application

Applications must be received no later than **April 30, 2015**
