

FIXING LONG-TERM CARE:

A SNAPSHOT FROM CENTRAL EASTERN ONTARIO

MEGHAN ENGBRETSON^{1,2}
SHARUKA SUTHAHARAN^{1,3}

INTRODUCTION

ONTARIO MINISTRY REGULATION REQUIRING WITHIN 3 YEARS:

- FORMAL INFECTION CONTROL PROGRAM
- CERTIFIED PROGRAM LEAD
- MINIMUM DEDICATED HOURS
- FORMAL IPAC EDUCATION

Ontario Ministry of Health
Ministry of Long-Term Care
'FIXING LONG-TERM CARE ACT, 2021'

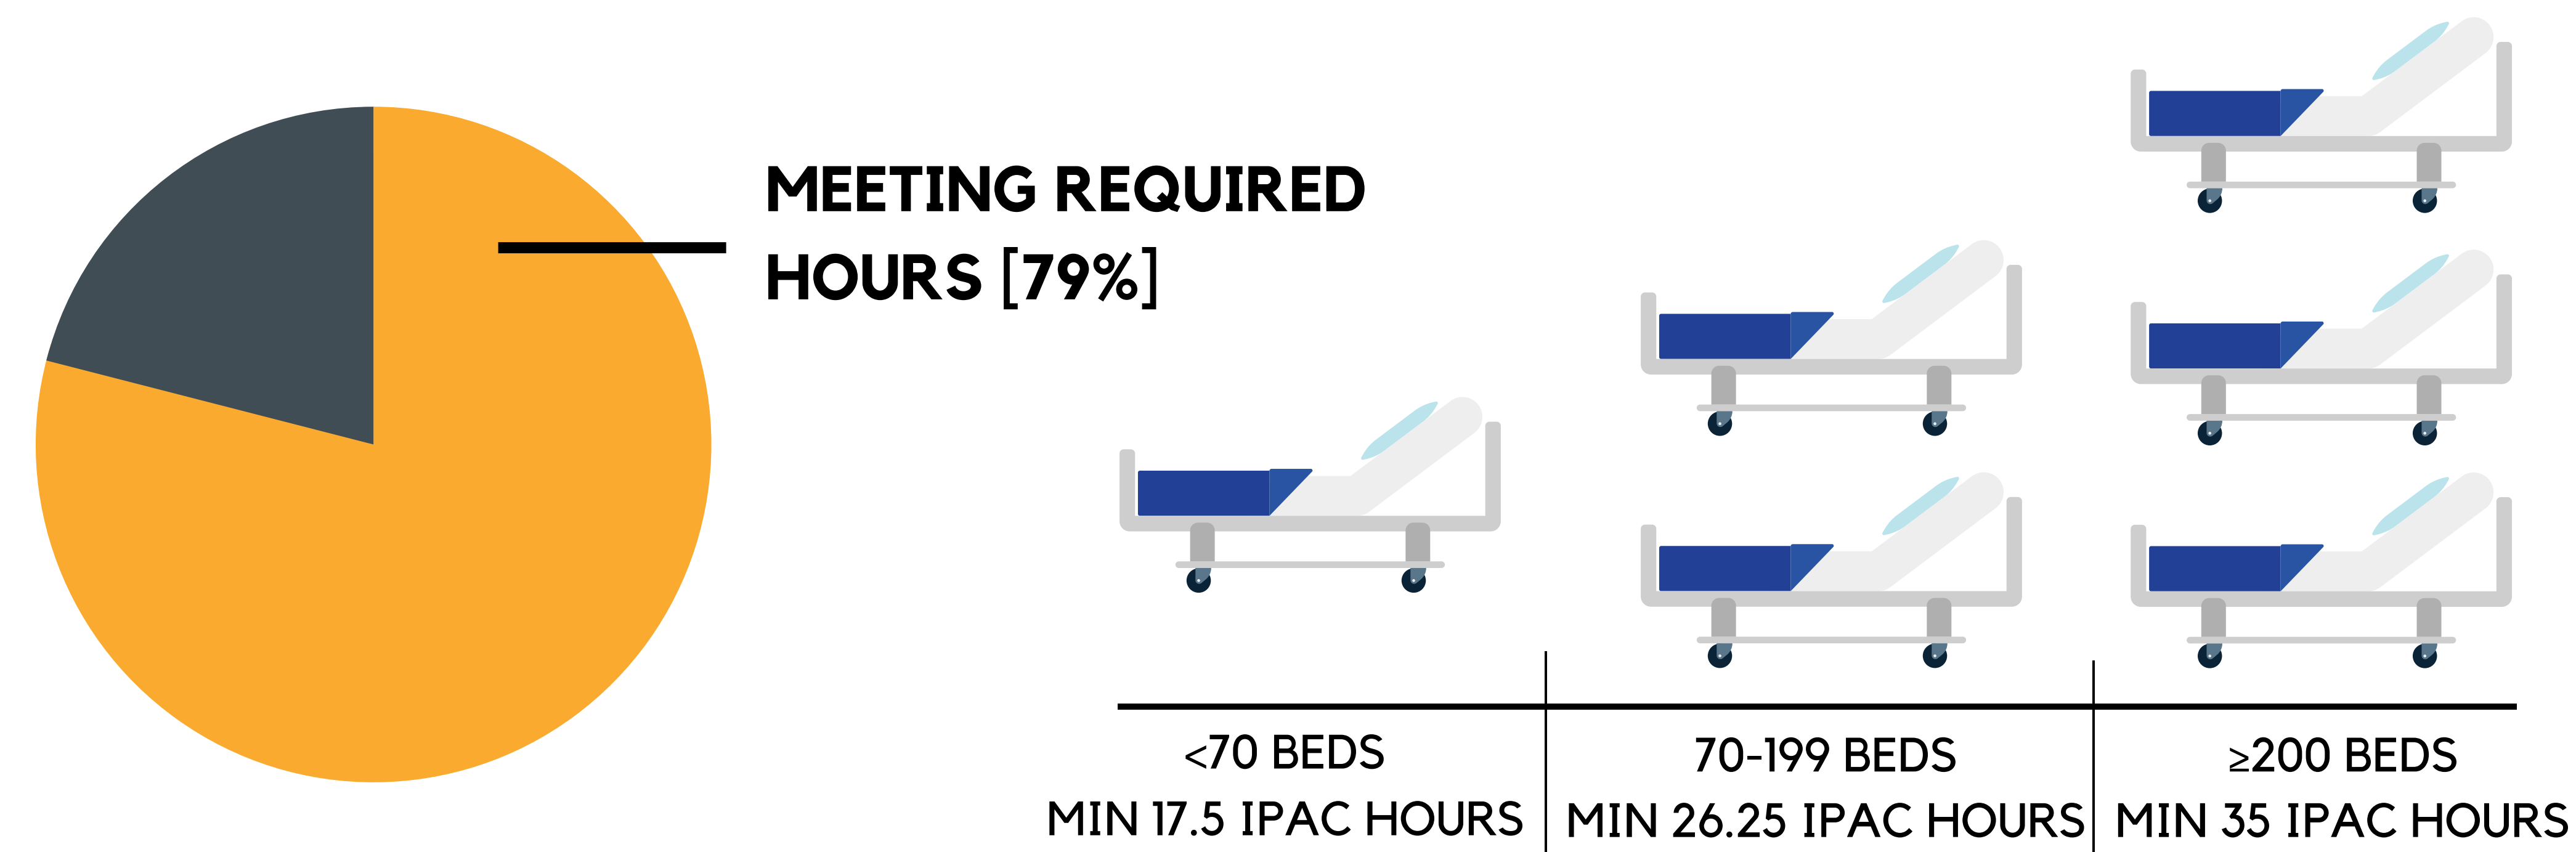

OBJECTIVES

ASSESS READINESS FOR MEETING REGULATORY REQUIREMENTS

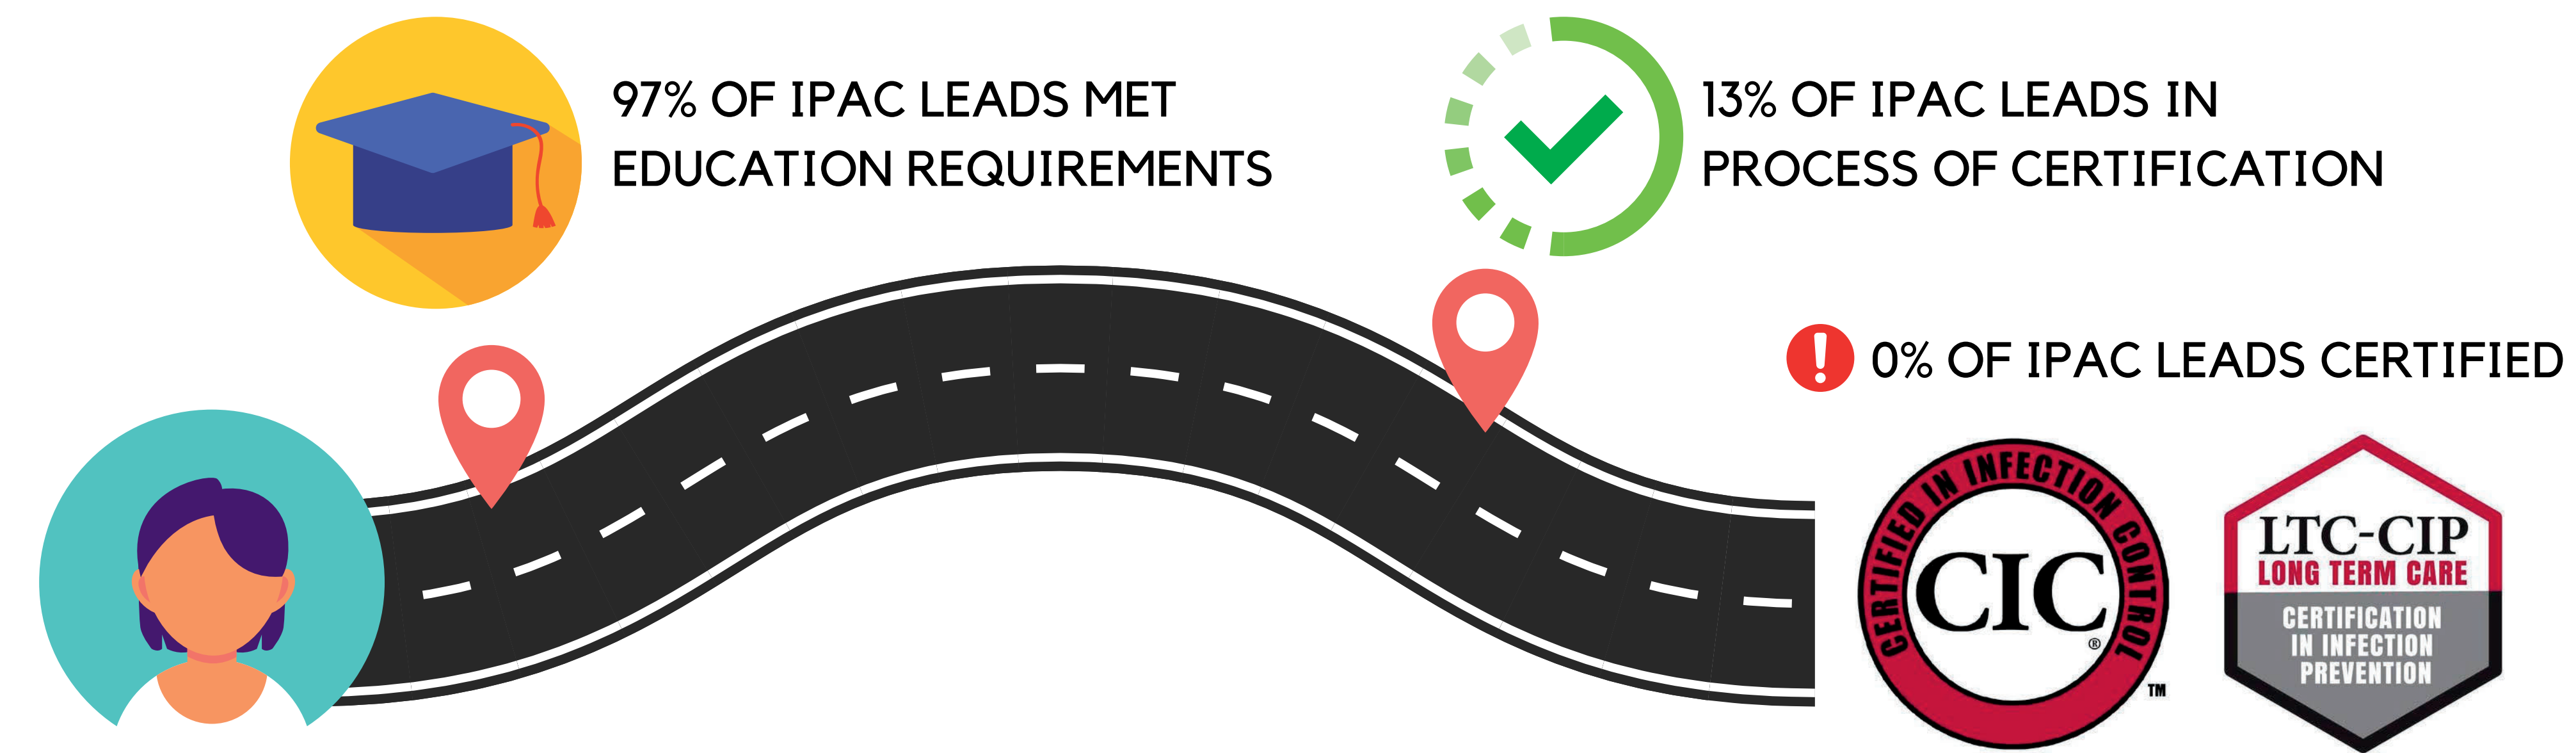

IDENTIFY GAPS AND BARRIERS

RESULTS: ARE WE THERE YET?

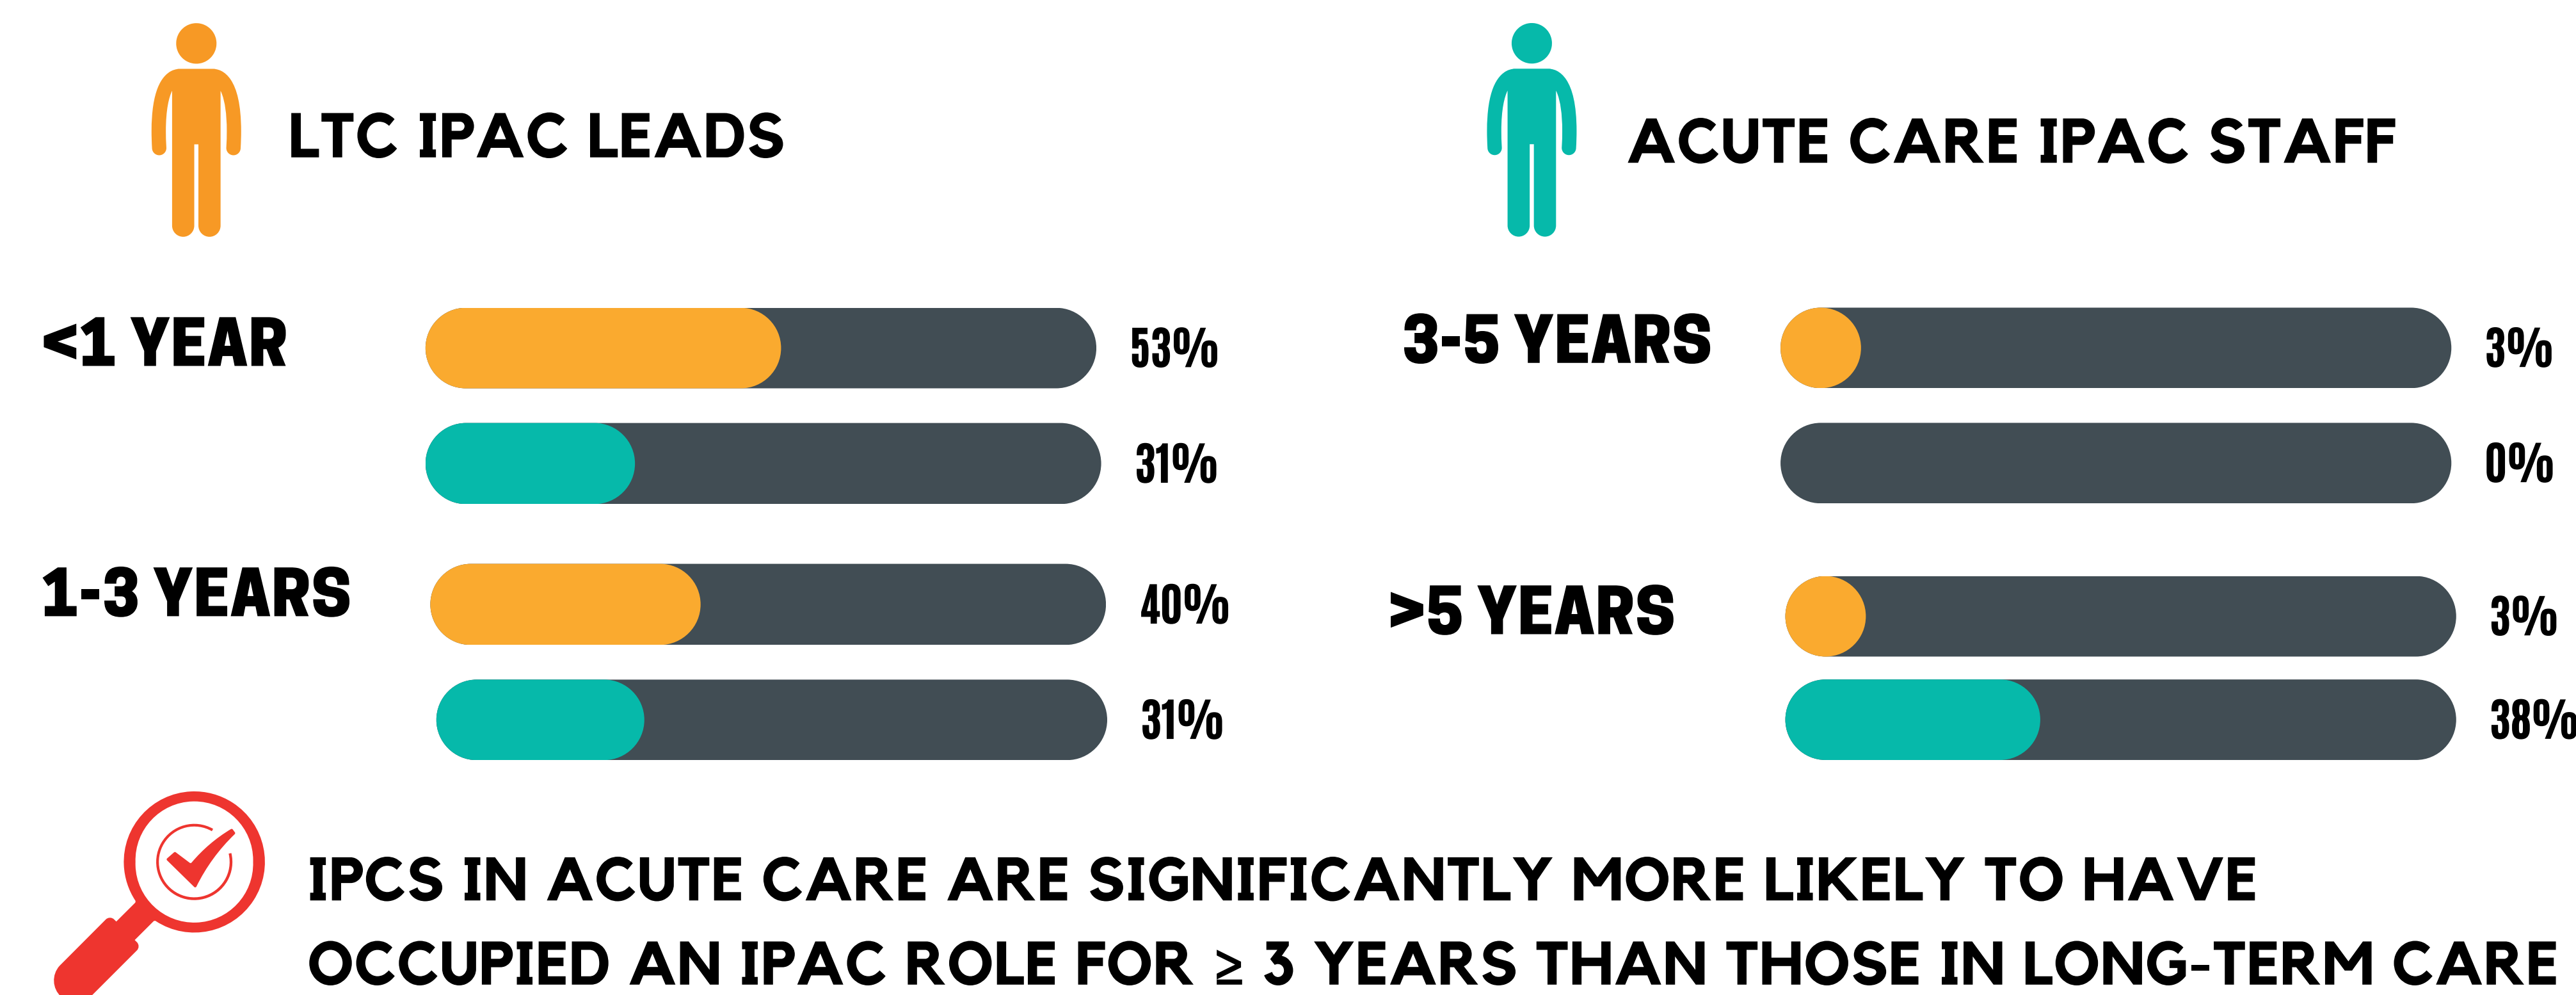

MOST LTC IPAC PROGRAMS MET REQUIRED PROGRAM HOURS

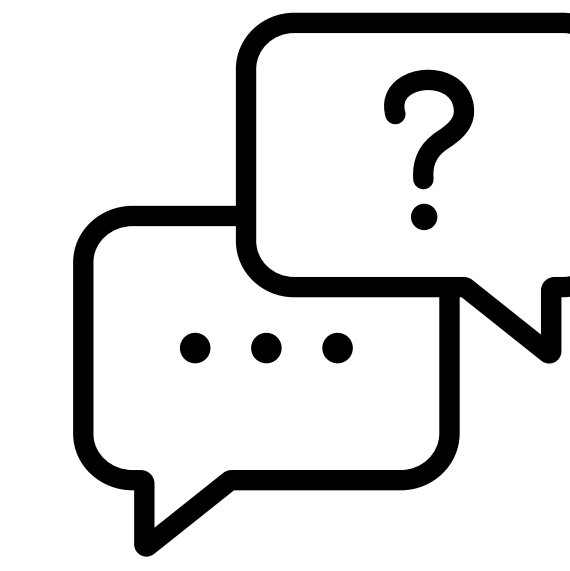

NO LTC IPAC LEADS HAD COMPLETED THEIR CIC/LTC-CIP

IPAC LEADS AT LTC FACILITIES HAD LESS IPAC EXPERIENCE

METHODS

SURVEY SENT TO IPAC PROGRAM LEADS AT PROVINCIALLY-FUNDED LONG-TERM CARE FACILITIES & ACUTE CARE FOR COMPARISON

- LTC IPAC LEAD (30)
- ACUTE CARE ICP (16)
- OTHER (4)
 - PUBLIC HEALTH
 - HOSPICE/CORPORATE

“ MOST LTC PROGRAMS MEET REQUIREMENTS; CERTIFICATION IS INTENSIVE FOR LEADS ”

CONCLUSIONS

IPAC-SPECIFIC PROGRAM HOURS ARE ALLOCATED IN MOST FACILITIES

CONSISTENT STAFFING CONTINUES TO POSE CHALLENGES

ATTAINING AND MAINTAINING CERTIFICATION IN INFECTION CONTROL REQUIRES DEDICATION
