On occasion we cooperate with our partners and stakeholders by providing them with the contact information of our members. Check here if you wish to Opt Out of having your contact information shared.

I would like to receive information about the IPAC Canada Mentorship Program.

Applicant's Last Name: _____

MEMBERSHIP CATEGORIES

Memberships expire 12months from date of processing.
Memberships are transferrable during the membership year.
Fees will not be refunded after 30 days of receipt. \$15.00 NSF fee for returned cheques.

Individual/Active: Individuals occupationally or professionally involved in the practice of Infection Prevention and Control and/or Epidemiology. May vote, hold office and serve on committees. This category also includes Industry/Business members who are directly responsible for products and services related to Infection Prevention and Control. Industry/Business members may hold office on the chapter level, but may not hold a national Board position.

First-Time Individual Member: Persons who have never belonged to IPAC Canada in the past can join at the reduced rate of \$135.00 for their first year of membership.
Regular Individual Membership fees will apply upon renewal.

Group Membership: Employees of health care related institutions or agencies interested in fostering the purposes and objectives of the Association. Members must be at the same physical site OR report to the same Direct Supervisor. Representatives receive the same benefits as Active members. Membership will stay with the individual for the remainder of the membership year unless they otherwise agree to transfer membership to another

representative of the Group. This is beneficial for organizations which have two or more members joining the Association.

Student: Full-time student attending a full time infection control related program. May not vote or hold elected office. May serve on committees. **Applications for Student membership must be accompanied by a letter of attestation from the employer that the applicant is a full-time student working to a maximum of half time equivalent (.5FTE), attending an infection prevention and control related program.** Current students of any IPAC Canada endorsed program qualify for student membership while enrolled in the program.

Retired: Retired and not employed full time nor seeking full time employment in Infection Prevention and Control. This is a non-voting membership. May not vote or hold elected office. May serve on committees.

Corporate Membership: Companies/corporations/agencies which support the objectives of IPAC Canada and provide additional support to IPAC Canada. The company is the member of IPAC Canada. Corporate Members are non-voting members and may not hold elected office. See <http://www.ipac-canada.org> for more information on Corporate Membership. Individual representatives (members) of the Corporate Member may apply for Active/Professional Membership.

CHAPTER MEMBERSHIP (one chapter included in membership fees; additional chapters \$33 each)
