Manager, Occupational Health and Safety & Infection, Prevention and Control (IPAC)

The Manager, Occupational Health, Safety & Infection, Prevention and Control is responsible for leading the Occupational Health and Safety and Infection, Prevention and Control programs across all Muskoka Algonquin Healthcare (MAHC) sites. This role requires a dynamic leader willing to create, implement and execute programs to support Employee Safety, Health and Wellness Programs and manage the organizations adherence to Infection Prevention and Control best practices to support a safe environment.

Currently certified as a Regulated Healthcare Professional in good standing with an associated professional college in Ontario, you have an undergraduate degree in a health related discipline, a certificate in Occupational Health Nursing or are certified in Infection, Prevention and Control, and you also possess the Joint Health and Safety Committee Certification Level II. You possess a minimum of 5 years’ management experience in Occupational Health and Safety or Infection Prevention and Control, preferably in a Healthcare setting.

Your recent experience in overseeing the requirements of safety, wellness, return to work, and Infection Prevention and Control programs is complemented by your exceptional knowledge and adherence to the Occupational Health and Safety Act, Human Rights legislation, and IPAC standards.

An excellent communicator with exceptional organizational, problem solving and decision-making skills you provide strong planning, interpersonal, facilitation, team building and coaching skills while working independently and as part of a dynamic team.

Applicants interested in becoming a part of an energetic, caring team in a fast-paced and rewarding environment can send a current resume and cover letter by 4:00pm on Tuesday, September 14, 2021 to the corresponding job posting on https://careers.mahc.ca/.

Why Muskoka Algonquin Healthcare?
Working together to provide outstanding integrated health care to our communities delivering best patient outcomes with exemplary standards and compassion, Muskoka Algonquin Healthcare (MAHC) is a multi-site organization that includes the Huntsville District Memorial Hospital site in Huntsville and the South Muskoka Memorial Hospital site in Bracebridge.

MAHC offers a collaborative approach to patient care. When you work here, you are supporting and caring for those in our community and their families. You will feel and know that you are a very important part of our community because you will feel how much our community appreciates the work that is done day in and day out by the hospital staff.

Why Muskoka?
Imagine working in a place you love to visit on vacation! A career with Muskoka Algonquin Healthcare lets you do just that. We are located in one of the top international tourist destinations in Canada; positioned just two (2) hours north of Toronto in beautiful “cottage country” surrounded by vibrant natural beauty, pristine lakes, majestic forests and rocky shorelines.

Our communities are small in size but big in excitement; there are always local fundraisers, farmers markets, live events, pubs and locally owned stores to shop in. There are a variety of seasonal, year-round activities to keep you busy and fully embraced in the lifestyle that Muskoka has to offer from hiking, fishing, snowshoeing, downhill skiing, heading to Algonquin or Arrowhead Park for the day, running and cycling clubs, camping, sitting on a warm sunny patio downtown, or simply relaxing by the lake with your friends.

Life here is good! Let us help you make your move!
