IPAC CANADA/PCI CANADA
An overview
Infection Prevention and Control Canada (IPAC Canada)/Prévention et contrôle des infections Canada (PCI Canada) is a not-for-profit voluntary association for those who are professionally or occupationally interested in the prevention and control of infections in all settings.

Our mandate is to provide education, communication, networking, and advocacy on behalf of our members.

Tara Donovan BHSc MSc, Director (Standards & Guidelines)
Joseph Kim MD FRCPC, Director (MD)
Ramona Rodrigues RN BSc MSc(A) CIC CNS FAPIC, Director (Chapters and Interest Groups)
Stephen Palmer, Public Representative
Incorporated in 1976, IPAC Canada represents 1500 members from across the continuum of care – national and international.

We have 20 chapters across Canada.

While a significant number of our members are from acute care settings, a growing segment is Long Term Care.

Long Term Care members utilize IPAC resources to ensure the health and safety of their residents.
What are the Benefits of Membership?

**EDUCATION** – Current evidence and research; guidelines, best practice tools; continuing education, distance education, certification opportunity, local chapter education; national conferences; free webinars

**COMMUNICATION** – Website; quarterly journal, monthly e-news, time sensitive e-blasts
