

Copyright, Usage, and Disclaimer

Copyright

The Canadian Journal of Infection Control is published by Infection Prevention and Control Canada or IPAC Canada, a registered non-profit, multidisciplinary, professional organization for those engaged in the prevention and control of infections and incorporated under the *Canadian Corporation Act in 1976*.

Materials published in *The Canadian Journal of Infection Control*, including text, figures, tables, and photographs may not be reproduced by any means, in whole or in part, without the written consent of the publisher, Craig Kelman & Associates Ltd., and should only be used with proper citation.

Access and Usage

The Canadian Journal of Infection Control requests a proper citation be included for its content and that any user indicate clearly if changes have been made.

Disclaimer

The conclusions, findings, and opinions expressed by authors contributing to this journal do not necessarily reflect the official position or opinions of the publisher, the association, or the authors' affiliated institutions.

Use of any trade names is for identification only, and does not imply or express endorsement by IPAC Canada.
