Secretary: Vacant
Treasurer: Chris Cohoon

Number of Members: 58

Geographic Area Served: New Brunswick and Prince Edward Island

Membership

Acute care, long term care, industry representatives, medical microbiologists, public health, community care

Meetings

A summary of frequency of Chapter meetings, format, guest speakers throughout the year

Initiatives Related to the IPAC Canada 2016-2018 Strategic Plan

- 1. Goal One: To become a more active chapter*
- 2. Goal Two: To become more diverse in our membership*
- 3. Goal Three: To further develop our collaborative relationships across the country*

Highlights

Our Chapter has not been as active as we would have liked due to increased workload of the pandemic in addition to our regular duties. In the upcoming year, we hope to engage our membership and work towards becoming more active with education activities and Chapter meetings.

The report is submitted by Tara Ferguson, RN, BScN, BA
