

**IPAC CANADA WEBINAR:**  
**Research, Manuscript Writing and Publication by  
Infection Prevention and Control Professionals**

**Tuesday, February 14, 2023**  
**1000 PT, 1100 MT, 1200 CT/SK, 1300 ET, 1400 AT, 1430 NL**  
**Duration: 1.0 hours**

**THIS WEBINAR IS FOR IPAC CANADA MEMBERS and NON-MEMBERS**  
**DEADLINE FOR REGISTRATION: Friday, February 10, 2023**

**Log in information will be provided at a later date.**

**DESCRIPTION:** In this webinar, infection prevention and control (IPAC) professionals will appreciate why it is important to be involved in scientific research as part of their professional practice. The webinar will cover how to generate a research proposal, seek grants, and conduct research in the field of IPAC. Participants will also learn how to write a manuscript from their research and how to eventually get their paper published.

**PRESENTERS:**

**JIM AYUKEKBONG BMLS, MSC, Ph.D, CIC** is the Editor-in-Chief of *The Canadian Journal of Infection Control* and the Vice President of Infection Prevention and Control for Southbridge Care Homes. He is a reviewer for several international scientific journals and has published over 30 scientific articles.

**DEVON METCALF MSc PhD CIC** is the Associate Editor of the *Canadian Journal of Infection Control*. Devon has a BSc, MSc and PhD in microbiology from the University of Guelph and a Bachelor of Education with a focus on adult education from Brock University. She is also Certified in Infection Control. She currently works as an IPAC Specialist with a public health agency and is Adjunct Faculty in the Department of Pathobiology at the University of Guelph.
