

Position:	Cleared by ROs and classified by HRD/HQ
Position Title:	Infection, Prevention & Control (IPC) Supervision Focal Point
Grade:	P4
Unit/Team:	Infection, Prevention & Control (IPC)
Major Office:	WCO
Duty Station:	DRC
Organization:	HQ/WHE WHO's Health Emergencies Programme
First Level Supervisor:	IPC Team Lead
Second Level Supervisor:	Incident Manager
Requirements:	i) IPC certificate/degree and ii) At least 7 years of field experience in IPC and iii) French: minimum of intermediate level of French

Summary of Assigned Duties (Describe what the incumbent has to do to achieve main objectives; include main deliverables/achievements expected):

During deployment, the duty station may change, and duties may be modified, based upon the technical needs of the Programme.

1. Ensure that supportive supervision/mentorship is effective at preventing and controlling EVD nosocomial transmission and healthcare worker infection at healthcare facilities and improving IPC practices
2. Conduct Health Care Facility (HCF) assessments/evaluations and use results to guide plans for continuous improvement of IPC standards implementation and quality assurance
3. In collaboration with MOH and other IPC team members, develop/upgrade standardized evaluation tools and data system (including indicators) for monitoring and evaluating supportive IPC supervision and quality assurance
4. Advise/train MOH and/or IPC implementing partners on how to undertake supportive supervision and quality improvement projects as required
5. Support WHO DRC IPC team as required, including performing any other related incident-specific duties.
