

## **Diversity, Equity and Inclusion Poster Contest 2022**

The Diversity, Equity and Inclusion (DEI) Working Group announce the first DEI poster contest to showcase an IPAC Canada member's creative talent that embodies a diverse, equitable and inclusive theme.

**Theme:** Diversity, Equity and Inclusion in Healthcare

**Description of theme:** Through the COVID-19 pandemic, racialized and disenfranchised communities have been detrimentally affected and the social injustices that have occurred shed critical light on health inequities throughout the world. Healthcare systems have always been on the front-lines of addressing health inequities and providing care to very diverse and marginalized communities. Diversity, equity and inclusion is a very complex topic, but is imperative in providing patient centered care within healthcare. We would like to showcase how diversity, equity and inclusion plays a role in healthcare, which affects the communities we serve, while addressing inequities and injustices.

**Prize:** The winning poster will be displayed at the IPAC Canada 2022 Conference and posted on the IPAC Canada main webpage throughout 2022. In addition, the winner will receive a discount on the registration fee for the 2022 National IPAC Canada Conference (April 24-27).

**Reminder:** All posters submitted must be uncluttered, have minimal text and an emphasis on visuals. Artistic talent is helpful, but not necessary. The winning submitter will be included in approving the final graphics. The judging of the posters will be based on the content submitted. The poster entry that is selected will become the property of IPAC Canada.

**Submission:** Submissions will only be accepted through email. Send submissions to:
