LONG TERM CARE INFECTION PREVENTION AND CONTROL TRAINING PROGRAM

Hybrid Intensive Curriculum with Full-Day In-Person Workshops

This comprehensive training program is specifically tailored for IPAC professionals working in Long Term Care (LTC) across Canada. Certification in Long-term Care (LTC-CIP) is required under the Fixing Long Term Care Home Act for LTC Infection Prevention and Control Professionals (ICPs) in Ontario. The skills and knowledge gained from this course will be valuable for professionals in all provinces.

PROGRAM HIGHLIGHTS

- **Format:** Two-month online preparatory phase followed by a two-day in-person intensive session in Toronto. Our flexible online learning platform allows you to manage your schedule and adequately prepare for the in-person training.
- **Content:** In-depth knowledge and practical skills for effective infection prevention and control in LTC settings. This course provides essential skills and knowledge applicable across all provinces.
- **Professional Support:** Access to IPAC experts during the course.
- **Audience:** Perfect for current ICPs and those exploring opportunities in this field.
- **IPAC Canada Certificate of Completion** after successful course participation and learning.

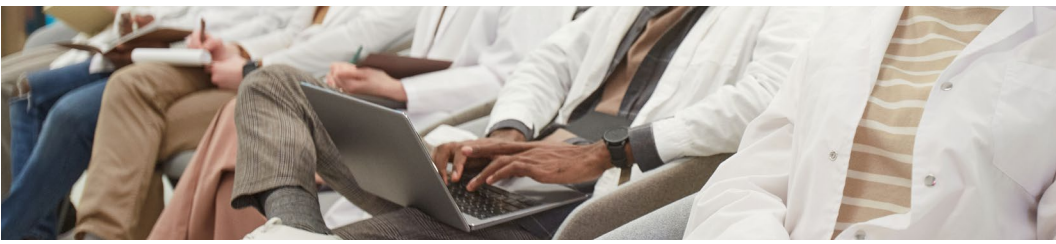
COURSE STRUCTURE

1. **Online Preparation:**
The course will begin with two months of foundational learning, providing you with essential IPAC knowledge.

2. **In-Person Intensive:**
The course will conclude with two days of interactive, hands-on training in Toronto with leading IPAC professionals, featuring engaging learning activities and case-based scenarios.

TUITION

- **Cost:** $2499.00 CDN (GST exempt), including breakfast and lunch during the two-day in-person session.
- **Tuition fee may be eligible for reimbursement** through individual employers or the Ontario Ministry of Long-Term Care's one-time funding to support IPAC Training and education efforts program.
- **Tax Information:** Canadian students will receive a T2202 tax form.



WHY CHOOSE US?

- Developed and facilitated by IPAC Canada education faculty.
- Tailored specifically for the LTC setting.
- Subject to annual intensive review by IPAC Canada's Endorsement Review Committee to ensure the highest standards and relevance.
- Professional development, mentorship and networking opportunities.

ENROLL NOW TO MAKE A SIGNIFICANT IMPACT IN THE LTC SETTING.
